5 Ways to Justify Your Destination Marketing Summit Registration

We know how it is. Tourism marketing conferences operate in a busy events scene. There is a lot of competition out there, not only in terms of events, but for your time.

Every decision of whether to come to a conference like the Destination Marketing Summit eventually boils down to “What do I expect to have gained/learned from spending my time attending this event versus taking care of my busy day-to-day routine?” In other words, what you need to know right now is this: What's the payoff from coming to the Destination Marketing Summit?

Here are five reasons we think attending the Destination Marketing Summit is not only worthy of your time in terms of benefits gained, but also why we think it's a different kind of event.

1. Learn new ideas and concepts, and the latest on what's working at other DMOs around the state
2. Meet staff of all different levels from both large and small DMOs, people who can help you
3. Hear candid talks about the things that went wrong at other organizations
4. Give yourself time to listen and think—work on, not in, your business

Destination Marketing Summit ATTENDANCE POLICY – AGENCY REPRESENTATIVES

The Destinations Florida Destination Marketing Summit is the annual learning exchange for tourism destination marketing professionals within Florida. It offers employees of Florida's destination marketing organizations a unique opportunity to learn, share information, and network in a sales-free environment.

Recognizing the important role that account representatives at contracted agencies play as "extensions of staff," Destinations Florida has instituted a policy to allow those individuals to attend the Summit

as delegates to learn about critical issues and trends and to engage in discussions that will help them better serve their clients.

Those firms that serve multiple destination marketer clients, and for whom the Summit would primarily be a sales opportunity, are encouraged to participate as an affiliate partner through the Destinations Florida Partnership Program.

The designated account representative for contracted advertising, public relations, eMarketing, etc., agencies may attend the Destinations Florida Destination Marketing Summit as a delegate ONLY if invited and officially endorsed by a Destinations Florida member under the following conditions:

1. The account representative clearly understands the attendance policy and agrees not to solicit business from other members.
2. The account representative is invited in writing to attend by a Destinations Florida member. As such, a copy of the communication should be sent by the client to Destinations Florida.

3. No more than two such attendees may be invited by any member. The two attendees may be from the same firm or different firms at the discretion of the member as long as they meet the above criteria.

4. All contracted account representatives will have name badges that indicate they are a representative of the member that invited them to attend.

5. The member is responsible for assuring that their account representative abides by this policy.

6. The account representative is not eligible to attend the Summit if no one from the member DMO is attending.

Any exceptions to these rules will require the approval of the Destinations Florida Executive Committee.
